Treasurers:

- 109 cabins paid dues \$3800 dues \$1300 invasive specie \$5120 total
- June \$32,789-entire balance
- \$400.00 toward fishing contest

Reed signs not completed. Still working on getting printed. Zuel and Moore still working on new signs

Fishing contest \$1/kid \$2/adult had 120 participate

- Used the honor system. Self weighed and took photos. Worked great and recommend not going back to weigh in. This also avoided fish kill.
- Thanks you to volunteers: Freher, Esnoughs, Moores, Hutchingsons
- Thanks to donors: Comers, Ryans, Frehers and Moores
- Mark Procash (not sure on last name) donated corn hole set.
- Photos and winners were posted on next door
- Thinking biggest fish by species next year
- Discussed date for next year. Planning for July 3rd next year.

Boat Parade: 11-12 boats. 7 registered. Great participation from the shore. Best one in a long time. Most were patriotic. Winner was Paul & Eric

Picnic: Cancelled for 2020-look forward to next year

Lake directory: working on it. Rome recommended constant contact. Directory service.

AIS(aquatic invasive species) update: nothing new at this time. T Hubbard collecting zebra muscle 'map'. T. Pluth said he would try to get out Aug/Sept

Lake Water testing: A. Halpin doing the testing. We have records for 2017-2020. Hubbard contacted MPCA and she will speak at membership meeting to clarify. (just clarity)

Zuel and Low doing water quality AW research. Report will go to Hubbard, invoice to Esnough.

OLD BUSINESS: Hubbard attended zoning and planning meeting regarding rental property. Mentioned our concerns. Board members have not noticed any issues or complaints.
